FALLING IN LOVE WITH WHERE YOU ARE

THE KEY TO DEEP ACCEPTANCE AND FEARLESS LIVING

An intimate 7-day retreat with Jeff Foster in the beautiful Belgian Ardennes

"Whatever it is, stop trying to figure it out now. Let it remain unresolved a little while. Stop trying to fast-forward to the 'answer' scene in the movie of your life; trust the present scene of 'no answer yet'. Allow the question itself space to breathe and be fertilised. Relax into the mysterious ground of Now." – Jeff Foster

How can we find the calm in the midst of the storm of life? How can we rest, even as the ground falls from beneath our feet, even as our hearts break open and our dreams turn to dust?

How can we stop running away from our pain, our grief, our frustrations, our failures, even our longing for enlightenment, and start flowing with all of it?

How can we find a YES to the present moment, no matter how challenging the present moment becomes?

This is an invitation to stop your exhausting search for love, peace and enlightenment, and discover them where you are, here and now, today...

This 7-day retreat, including 5 days of silence, is the ultimate gift to yourself: an invitation to rest from the exhaustion of daily life, to slow down, reconnect with your presence and your body, and experience what is truly within you. It's a chance to dive deeply into Jeff's message of deep acceptance and fearless living, supported by peaceful natural surroundings, in a safe and nurturing environment with like-minded friends. Through talks, guided meditations, intimate dialogues, laughter, tears, and silence, Jeff will invite us in his own unique way to take a fresh look at our present experience and discover the ocean of who we really are: *an open and loving awareness that has already allowed every wave of thought and emotion to arrive.*

Just as the ocean 'accepts' every wave, so too has our awareness already allowed and accepted what is here. Jeff talks of deep acceptance not as a passive surrender, but as an intelligent and creative emerging into life just as it is. And it is not something that happens 'one day', or only happens to special people – it is always here, closer than breathing...

Candid, thoughtful, humorous - and deeply compassionate toward those searching for a way out of suffering - Jeff inspires us to stop trying to 'do' acceptance... and start falling in love with 'what has already been allowed.' His simple, accessible and direct teachings point us back to who we really are in this moment - already perfect, whole, and free. Silence, laughter, lightness, and a sense of real intimacy, honesty and friendship are the hallmarks of encounters with Jeff. His meetings are very spontaneous and informal, and there are plenty of opportunities to share and ask questions, if you are so moved.

We look forward to seeing you in *Château Frandeux* in May!

Testimonials:

"I wanted to let you know that during my trip back from the retreat, something fell away, or shifted, I don't know, but suddenly everything was crystal clear. No-one was here, doing the seeing. Nothing was happening (and yet everything was happening). Everything was still, empty, and at the same time everything was bursting with life..." - R.V.

"I absolutely loved my retreat with Jeff. I really feel it has brought so much value, and a true peace, to my days and my life..." - C.T.

"The retreat with Jeff stood out for me in its simplicity and comparatively relaxed schedule. Yet at the same time the view that was offered was very profound and impactful in its directness. The message is not new, but was brought to me in a new way and helped me to relax into reality very deeply... !" - O.E.

Program

During the week Jeff will hold about 16 group meetings of around 1½ hours each. Attendance of all meetings is not obligatory, but very highly recommended. In the meetings there will be many opportunities to ask questions, to explore your experience, to engage in dialogue, or just to sit in silence and meet your present experience, exactly as it is. All meetings are English spoken, without translation.

At this retreat you are invited to commit to 5 days of collective silence between meetings. During these 5 days you are invited to abstain from talking or whispering, using cell phones/laptops, reading books/magazines, or listening to music. During the silent days the group meetings will continue as usual. Beside this, please note that throughout the whole week meals will be enjoyed together in silence too.

Every morning before breakfast you are encouraged to take part in a 'mindful yoga' class, and in the afternoon it's recommended to join a silent sitting session. Free time during the days can be spent relaxing and doing absolutely nothing! Or, for example, you could go walking in the woods, relax in the sauna, or use the solarium (sunbed).

Friday morning after breakfast, the retreat will end.
